Dear United Community Families,

Below you will find “Hard Surface” school bus pick-up and drop-off information, which will be utilized on school days when travel on gravel roads is challenging.

If we are utilizing “Hard Surface” stops, families will be notified by the school district via email and/or text notification.

Questions can be directed to our transportation department at 515-432-5319, ext. 3.

Thank you!

Sincerely, Mrs. Brimeyer
United Community School District Principal
