

MRS. DAVIS

WELCOME

Welcome to Kindergarten! I am so excited to begin this school year with each of you.

In our classroom, learning and playing go hand in hand. We will explore ideas, build new friendships, and grow beyond our academics. Kindergarten is a place where everyone belongs, mistakes are a part of learning, and fun happens everyday!

ABOUT ME

My name is Kacey Davis and this will be my eighth year teaching, but sixth year at United! I graduated from Iowa State University with my Bachelors of Science in Early Childhood Education with a minor in general business.

My husband and I live on an acreage with our sons, Ethan and Owen. I have always loved being outdoors, trying new recipes, and spending time with my family. I am eager to begin this school year with each of you!
