WELCOME TO FIRST GRADE!

My name is Carly Haberer, and I am so excited to be your child's first-grade teacher this year! This will be my ninth year teaching at United, and I feel fortunate to be part of such a wonderful school and community.

I graduated from Iowa State University and have endorsements in English/Language Arts, Reading, and Social Studies. I love teaching first grade because every day brings new opportunities to help students learn, grow, and discover what they're capable of.

I believe that all children can learn at high levels. Every student learns differently, and my goal is to provide the support, encouragement, and challenges they need to be successful. I want each child to leave first grade feeling confident in their abilities and excited about learning.

Creating a positive classroom community is one of my top priorities. I want my classroom to be a place where students feel safe, respected, and a sense of belonging. When children feel comfortable taking risks, asking questions, and being themselves, they are able to do their best learning.

I am looking forward to getting to know your child and watching them grow throughout the year.

Thank you for trusting me to be a part of their first-grade journey. I know we're going to have a fantastic year together!
