

# Meet the teacher

## Mrs. Murray

### About Me

My name is Sarah Murray and I am excited to partner with your family in your child's education this year! I have spent several years teaching preschool-aged students in first childcare and now elementary school settings. I can't wait to see where this school year takes us!

### Teacher Trivia

I am an aunt to 11 nieces and nephews (and a great-aunt to 4!)

Summer or winter, I love iced coffee.

I re-learned how to ride a bike at the age of 33!

I spend my free time reading, hiking, and kayaking.
