

MEET THE Teacher

WELCOME to Kindergarten!

I am looking forward to welcoming your student into our classroom in August! I am confident that we will all grow, learn, and thrive in Kindergarten this year!

It is my goal to have an open line of communication. If you have any questions or concerns, please feel free to contact me!

ABOUT ME

My name is Kirstan Naber, and I will be your child's Kindergarten teacher. This is my eleventh year teaching Kindergarten and thirteenth year at United; I spent my first two years teaching Preschool. I graduated from Central College in 2006 with my Elementary Education degree and endorsements in Early Childhood Education and Reading. Before coming to United, I spent 5 years teaching preschool at a childcare center in Clive and 2 years teaching preschool and half-day Kindergarten at a Christian School in Waterloo.

I enjoy spending time with my family, including my 7 year old son, Callen, my 9 year old daughter, Kynlie, my husband, Chris, and our kitty, Minnie. I also enjoy reading, biking, and traveling.

I have developed a great passion for teaching this age group. Young children are very enthusiastic about learning, and I love watching and being a part of their learning process!

HELLO!
