

MEET THE TEACHER

Mrs. Nordhus

WELCOME TO KINDERGARTEN!

My name is Mrs. Nordhus, and I am pleased to be your child's teacher this year! In Kindergarten, we will focus heavily on providing opportunities for students to build a love for learning with hands-on, collaborative, and engaging instruction. Your scholar will not only begin to learn to read and write but also build independence, sharpen their social skills, practice team work and problem solving, make new friends, and of course have FUN! I look forward to sharing in the fun with you and your child this year, at United!
