Welcome

Hello Comet families! This will be my fifth year at United! I am so excited for this school year. I have taught fourth grade for two years and third grade for two years, and now I'm ready to take on 2nd. My family's restaurant (you may know it) La Carreta, brought my family to Boone! I graduated from DMACC then transferred to Iowa State to pursue my love for teaching. I graduated with endorsements in Reading, Language Arts, and English for Language Learners (ELL).
