A MESSAGE FROM YOUR TEACHER

I am so excited to be your child's 2nd-grade teacher! This is my first year at United, and I feel truly grateful to be part of this school community. I became a teacher because I want to help students develop a love for learning and believe in their own abilities. I believe children are capable of so much, and I am here to help your child feel confident, supported, and successful. I am so excited for all the learning, growth, and memories we will make this year!
