

# Meet The Teacher

My name is Miss Abrams and I am excited to be your child's first-grade teacher this upcoming school year! This will be my second year teaching first grade at United and I can assure you we will have tons of fun!

I have lived around the Ames area my whole life, which makes me so excited to be teaching so close to home. When I am not teaching, I love to spend time with my family and friends. Ever since I was little, my parents have owned Duck Worth Wearing and The Loft. They currently have

four stores between the Ames and Ankeny area. My brother and sister-in-law currently live in Utah with my niece Ellie. My family and I like to travel to Utah whenever we get the chance to see them!

I graduated from Iowa State University in the fall of 2021 with a Bachelor of Science degree in Early Childhood Education and a minor in Child, Adult, and Family Services. Within my degree, I also hold two special education endorsements. During my first year of teaching, I was able to participate in a professional learning opportunity called LETRS, which helps educators understand how students learn to read and write.

As an educator, I am passionate about creating a welcoming, safe, and comfortable learning environment for all students. Throughout the year, we will fill our brains and hearts by creating so many fun memories as a class and community.

Sincerely,  
Miss Abrams
