

# MEET THE TEACHER

**Miss Anderson**

Hello!

My name is Miss Anderson, and I will be your student's 4th grade teacher this school year! This will be my 1st year teaching 4th grade, and I am so excited to begin this school year at United with your 4th grader!

## ABOUT ME:

I was born & raised in the Council Bluffs, IA, where I grew up with my five siblings! In December 2022, I completed my Bachelor's Degree at the University of Iowa in Elementary Education along with endorsements in K-8 Reading & Coaching. After getting myself established at a 4th grade teacher, I hope to one day be a basketball coach! During my time in college, I was a nanny for two girls-who I worked with for three years. After completing my Bachelor's Degree, I was a Kindergarten & Second grade long-term substitute teacher. I am beyond excited to share my love of education with each of your students!

In my free time, I love listening to podcasts, playing with my 4 year old German Shorthair Pointer, Zeus, or hanging out with my friends & family!

## CONTACT INFO

**Phone:**

# Teaching Philosophy

---

“I believe that every classroom is its own unique community. In every classroom, students are unique and each brings something special to the learning community. In my classroom, I will present the curriculum to my students while also incorporating student choice, response, and thinking into the curriculum. I will assist each of my students in order for them to express themselves, their beliefs, and their own thinking. I will also embrace, as well as encourage students to embrace, the differences each student may bring to the classroom.”
