

Dear Comet Families,

Hello! My name is Gabriela Fuentes or Miss Fuentes and I am so excited to have your student in my class this year! This will be my second year at United, teaching the BEST grade, 4th grade! :)

A little bit about me... I was born in Chicago, Illinois, but at the age of three my family moved to Boone, Iowa. What brought us to Boone was an opening of a restaurant you may know, La Carreta! Since then, my family of six were fortunate to stay and grow up in Boone.

I attended DMACC in 2017 and transferred to Iowa State University to obtain my elementary education degree. I graduated in May of 2022 with my K-6 degree along with endorsements in Reading, ELL, and Language Arts. Other than working at the best job ever, I really enjoy going to the movie theater and spending time with my family and friends!

My goal in my classroom is to create a positive, and safe learning environment for all of my students. I am so so excited to get to know your kiddos and get this 2023-24 school year started! :)
