

# Meet the PE Teacher

Hi! I am Blair Hunter. I have been teaching physical education at United for one year and am very excited to start my second year and see my students again!

Last year, I moved to Ames from central Pennsylvania in August because my partner is attending ISU. We moved here with 2 cats and 1 dog. We also adopted another dog in January! The rest of my family still lives in Pennsylvania, except my brother, who recently moved to Colorado!

I graduated from Lock Haven University in northern central Pennsylvania in 2020. After graduation I taught at a technical school as a long term substitute. The next year, I taught as a health and PE teacher at Williams Valley High School before moving here the next summer.

I am very motivated to keep students happy and engaged in staying active in any way that they enjoy! I can't wait to get back to it soon!

Sincerely,  
Miss Hunter
