A LITTLE ABOUT ME

I was born and raised in Ames. I graduated in May from Iowa State with a Bachelors degree in Education and endorsements in K-8 English Language Arts, Reading and Social Studies.

As a teacher I am passionate about giving students a safe space to be able to learn and grow in not only academics but socially and emotionally as well.

In my free time I love spending time with my family, friends and my cat Bruni. I enjoy watching movies, puzzling and reading. Being creative in any way I can is also something I enjoy doing when in and also when I'm not at school.
