## WELCOME

Welcome to Kindergarten! I am so excited to begin this school year with all of you. In Kindergarten, we will do lots of growing, trying, playing, and relationship building. My goals are for each child to develop a love for learning, take on new challenges, and develop everlasting friendships. It will be a fun filled year!

## ABOUT ME

My name is Kacey Davis and this will be my sixth year of teaching, but fourth year with United Community! I graduated in May of 2019 from Iowa State University with my Bachelors of Science in Early Childhood Education with a general business minor. I grew up in Ames, Iowa (Go Cyclones!) and continue to live in Ames with my husband and our newborn, Ethan. I have always loved being outdoors, trying new recipes, and spending time with my family. I am eager to begin this school year with you!
