

Meet the Teacher

About Me

Hello! My name is Mrs. Hendrix. I am so excited to be your teacher this year! This is my third year teaching first grade at United, and I truly believe I have the best job in the world!

Outside of school, I love staying active and spending time outdoors. I enjoy playing golf and tennis, traveling, and making new memories with my family and friends. One of my favorite adventures was having my wedding in beautiful Mexico! I live with my wonderful husband and our cat, who always keeps us entertained.

Throughout this year, I am excited to see all the friendships form, memories be made, and the perseverance, and growth of each student. I can't wait for our new adventure to start, our class is better with you in it!

💜 Mrs. Hendrix

Store: Target

SUBJECT TO TEACH: Math

SUBJECT TO LEARN: Science

CANDY: Anything sour!

Philosophy

I believe that learners thrive in settings that foster curiosity and creativity, so I strive to make learning engaging through hands-on activities and playful interactions. Emphasizing emotional and social development with academic growth, I aim to build a positive classroom with respect, kindness, and collaboration. By supporting a growth mindset and celebrating both individual and collective achievements, I help students develop resilience and a love for learning
