about me

Hello! Mrs. Hodges here! I am beyond excited to be your kiddos teacher this year. This is my fourth year teaching preschool at United. In 2020 I graduated from Doane University in Nebraska with a bachelors in elementary education and an endorsement in early childhood.

Currently I am working on my masters in elementary education with an endorsement in birth to third grade inclusive settings. Aside from being a teacher and life long learner I love to spend time with my dog Bentley, husband Ryan, and our families. You can catch us at car shows, the camp ground, or on the lake in our kayaks.

My goal this year and every year is to set your kiddos up for success in the beginning of the educational career. Together we will discover that learning can be fun!

my favorites
