About Me

My name is Ema Hughes, and I am thrilled to be your child's teacher this year! This is my first year teaching, however I have been in education for the past 14 years in various roles, and last November, I completed my second master's degree in Elementary Education. I am excited to be back in the classroom and look forward to working with your child.

I had the privilege of completing my student teaching at United in 2nd grade, where I quickly fell in love with the school, students, and staff. From there I started subbing, and long term subbed in 1st grade for the rest of the year. Although I now live in Roland with my husband, three kids, and our many pets, I grew up just 10 miles from United, so I am very familiar with the school.

I could not be more excited to teach this wonderful group of students this year and to watch them grow and thrive, but also grow and learn myself.

Fun Facts
