About Me

eee

My name is Sarah Murray and I am excited to partner with your family in your child's education this year! Since 2009 I have taught in the early childhood education field in various roles, primarily teaching 3 and 4 year old preschool. In May 2025 I graduated from Buena Vista University with my Elementary Education B.A. with endorsements in PreK/Kindergarten and Early Childhood Special Education. This is my first year teaching at United and I'm thrilled to bring my experience and education into the United Community School District to provide students with a strong early learning experience.

Currently I live in Ames with my husband where I enjoy reading, gardening, hiking, kayaking, and ice skating. I'm so happy to be part of the tight-knit community of the United District and can't wait to see where this school year takes us!
