

Meet the Teacher

Hi! I'm Mary Saienga-Wonderly.  I am excited to help your student reach their academic and social goals. I attended the University of Northern Iowa and was lucky enough to student teach at United this Fall! My goal is to create a learning environment where

we are all safe to try new things, build friendships, and make mistakes that help us grow.

My husband Brian and I live in Ames where we enjoy dreaming up travel adventures, planning home improvements (seeing most of them through) and watching movies in our down time.
