Elite Power Tumbling & Trampoline offers recreational & competitive power tumbling & trampoline classes to boys & girls. For our young athletes our "Tumble With Me" class is a parent/child class – "Tumble With Me" class for ages 1-3 who are not potty trained. We also have independent tumbling classes for athletes who are ages 3 (potty trained) & up. Students must be entering Kindergarten in September to take part in the trampoline class. We offer a cheer/dance specific tumbling class for athletes ages 8 & up, which focus on skills you would use in those settings. Baton classes are offered for students ages 7 & up (baton students are required to purchase their own baton).
